Dear Junior High Fusion Athletes and Parent,

Well, here we go again. It is time for Lady Fusion Basketball to begin. It seems like only yesterday that we were beating Fairview in the final four to get another chance at the Circle Wildcats. It is no secret that Circle's good players from last year are all back as 8<sup>th</sup> graders and you can bet that they have been practicing. This is our year to put them into our rear-view mirror and beat them. It won't be easy, but we can do it.

It all starts for us on **Tuesday October 8 in Richey**. We will leave Lambert from the North parking lot after school. Let's be ready to go by having our workout clothes and shoes in tow and have all the paperwork complete and handed in (i.e. Sports physicals). We will have around 2 weeks before our first game and then Circle is our second. We will be looking to have the 6<sup>th</sup> grade girls join us this year to increase our numbers, so welcome.

My name is Ira Lake and I am coaching the Junior High Girls this season. I am very excited to get things going and helping the program be successful. See you on the 8<sup>th</sup> of October. **GO FUSION!**
