

Hello players, parents & fans, I'm Coach Nelson the new coach of the 2023-2024 BBB program. I've been around Basketball for at least 45 plus years & I have coached both boys & girls at different grade levels through high school. In that time I have been a part of coaching 5 teams to the State tournament, along with several District & Divisional Championships. None these accomplishments are possible without dedicated hard working players, supportive parents & school systems. My philosophy has, is & always will be detailed to be the strongest defense team anyone will play. That takes hard work dedication & being in top physical shape. Our workouts & practices will be harder than any game you will play. I can't wait to welcome all players that will be coming out to be a part of the new and exciting 2023-2024 Boys Fusion basketball team.

Accountability- That's going to be our battle cry for the 2023-24 BBB season.

For the players that means: 1. Being accountable to yourself of being the best possible son, student, teammate, & player you can be. 2. Being on time, making all practices, working on improving your skill level. ETC. ETC. ETC.

Parents: being accountable to be very supportive of your son and all players, managers & coaches of the team.

Coaches: Accountable for building the players to become the best they can be, to get the team to play to the best of their ability & understand the concepts of the game.

All players coming out will need a physical and reversible jersey of our team colors.

See you all on Nov. 16th.

Coach Nelson
